

Mysłowice 01.06.2017

**MYSŁOWICKA CZWÓRKA**  
**COMMUNICATION NO. 1**

Special stage will be conducted at the Cargo Center in Jaworzno:

43-603 Jaworzno ul. Martyniaków GPS N50 ° 12'49.253 "E19 ° 13'54.93

Due to the duration of the single pass and the need to limit the duration of the Special Stage during the rally, we invite CEC and NSMP crews to perform Special Stage before the start of the event, from 16:00 to 17:30.

Only at this time we can offer the possibility of additional track rides (bonus for riders).

Only first two attempts will be qualified for the event. Additional rides are bonus ones and will not be included in the classification.

The square is very well-lit so the start time and lighting conditions will be the same for every participant.

On Friday the riders perform two runs, one is counted for the night round and one counted for the day round.

Organizers are kindly asking for as many crews as possible to perform Special Stage at earlier time.

This will significantly affect the duration of the night stage.
